

ClearRiseCredit - Credit Repair Do's & Don'ts

Do's of Credit Repair

- Review your credit report regularly
- Dispute inaccurate or outdated information
- Make at least the minimum payments on time
- Keep credit card balances below 30% of your limit
- Build a positive history with on-time payments
- Work with a reputable credit repair service like ClearRiseCredit

Don'ts of Credit Repair

- Don't apply for too many new credit lines at once
- Don't close old credit accounts unnecessarily
- Don't ignore collection notices or late payments
- Don't assume all credit repair services are the same
- Don't expect instant results - real repair takes time and consistency
